

**AVAILABLE
FOR
ADOPTION**

Here are some pictures Skipper. He is 3 years old, he is neutered, up-to-date on shots, completely housebroken, very friendly and loves attention. We were asking \$600.00 for him. Prefer a family or someone that can give him more attention. Skipper is a great dog, it is just that their daughter is developing allergies.

If you would like to fill out an application for the next available dog, please download one from the web site and mail it to us or email/call
